Action Taken Report on Feedback analysis
Academic Year: 2018 - 2019

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)

Department of Civil Engineering

Academic Year: 2018-2019

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Need Hands on training.	More Workshops with Hands on Sessions were conducted.
Faculty Feedback on Curriculum		
1	Research activities must be strengthened by conducting research related conferences.	Programmes were conducted to enrich the faculties to get an idea about how to write research paper, how to apply for patents etc
Alumni Feedback on Curriculum		
1	Skill oriented courses to be started to meet the needs of jobs.	Introduced additional courses such as VAC to enhance the knowledge of the students
Employer Feedback on Curriculum		
1	More effective steps have to be taken to improve the communication skills and team work of the students which will help them to excel in the work place.	More concentration is given for the communicative English and various activities are included in the placement training hours to induce the specific skills to the students.
Parents Feedback on Curriculum		
1	Exposure to new construction techniques and real time scenario have to be implemented.	The selection of Value Added Course is done based on the suggestions given.
Students Feedback on Facilities		
1	Basic Sanitary facility for girls have to be provided.	Initiated for the Pad vending machine provision purchase
2	Healthy snacks have to be made available in canteen.	Provision of healthy snacks and juice in the canteen.

Department of Computer Science and Engineering

Academic Year: 2018 - 2019

ACTION TAKEN REPORT

S. No	Suggestions	Action Taken/Impact
Students Feedback on Curriculum		
1	May give extra lab session for student's technical knowledge and also conduct quiz in programming	Problem Solving and Python Programming lab session changed as batch.
2	Include more courses to improve the Interpersonal Skills.	A new course Interpersonal Skills is introduced as Interpersonal Skills / Listening & Speaking Lab.
Alumni Feedback on Curriculum		
1	Special elective courses may be offered for the students in the third year to make use of real time project in final year duration	As per suggestion the new courses offered for enhancing employability in core companies were: a. Wireless Networking b. Mobile Apps
Parents Feedback on Curriculum		
1	Content beyond the syllabus also taught by the teachers both theory and laboratory	New courses were included in the curriculum to meet the challenges and needs of the society.
2	Rate the relevancy in curriculum towards the challenges and needs of the society.	Applications of various technical concepts were included as content beyond the syllabus in Internet Programming Laboratory
3	Include more courses to improve the communication skills to enhance employability	A new course Advanced reading and Writing is introduced and, also added with new topics were added to improve English Language Communication.
Employer Feedback on Curriculum		
1	Companies expecting the students with cocurricular activities like internship, seminar, paper presentation,	Based on the Employer feedback, new courses are included in the respective program as given below. ➤ Course on Mobile Application ➤ Course on Cloud Computing
Faculty Feedback on Curriculum		
1	Faculty members suggested to attend/Participate National /International Conferences to improve their research interest for the	Industry oriented courses were introduced on latest trends of Computer Science and Engineering courses like Robotics, Big Data and Machine Learning. FDP's are regularly attended by the Faculties to

	development of research center.	update the latest trends.
Students Feedback on Facilities		
1	Smart Class room may help to teach the students with live programming execution to show output realistically.	1. Availability of Smart class room with uninterrupted wi-fi 2. Events related to organic food fest, craft from waste, food fest etc had conducted 3. Library facility in hostel with academic and general books
Parents Feedback on Facilities		
1	Project Expo may conduct internally.	Hackathon like contest will conduct dept. wise
2	Allow semester wise fees payment	Allowed to pay by getting prior permission.
Hostellers Feedback on Facilities		
1	Need indoor sports facility after 6pm.	Instructed to access facility from 6.00pm – 7.30pm
2	Change Menu by adding pani poori as evening snacks.	Wednesday Evening Snacks changed as pannipoori
3	Need more RO Water Systems	RO Water System Kept in both first and second floor.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Academic Year: 2018 – 2019

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Content of syllabus needs enhancement in terms of quality.	Letter send to university to modify the syllabus content for upgrading the knowledge of the students.
Faculty Feedback on Curriculum		
1	Students are insisted to undergo research activities for the upcoming technology.	Students were exposed their knowledge in the Project Expo which was conducted by our college.
Alumni Feedback on Curriculum		
1	Increase the focus on practical learning experiences within the curriculum to better prepare students for their careers. Incorporate more internships, industry projects, and hands-on activities to bridge the gap between theoretical knowledge and real-world applications.	Implemented a mandatory internship program for all students, allowing them to gain practical experience in their field of study. Increased the number of industry projects and hands-on activities across all courses to provide students with real-world application opportunities.
Employer Feedback on Curriculum		
1.	Employers seek graduates who possess strong problem-solving and critical thinkingskills.	A curriculum that encourages students to tackle complex challenges and apply analytical reasoning is highly regarded.
2.	Invite professionals from the industry to deliver guest lectures, workshops, or seminars. This provides students with insights into current industry practices, emerging trends, and career opportunities, while also facilitating networking opportunities.	More numbers of Industrial Persons were Invited and taken Many Guest Lectures, Motivational speeches were given.

PRINCIPAL

 Phone : 0416-2297031 / 33 / 34

Parents Feedback on Curriculum		
1.	Include placement & training classes from lower semester.	Placement & training classes have been taught to the students from lower semester.
2.	Many parents suggested that besides the regular teaching learning process, students should be given some exposure to real-world problems.	In order to cater to this suggestion, Guest Lectures, Seminars are conducted wherein students get the opportunity to learn from expert faculties from IIT, IIM etc. Also every department organizes talks by industrial and academic experts.
Students Feedback on Facilities		
1.	Plantation of herbal garden to provide a green pollution free environment.	The institution took action to create a herbal garden on its premises to contribute to a greener and pollution-free environment.
2.	To be Conducted yoga session for stress relief.	Trained yoga instructors were invited to conduct the sessions, focusing on various relaxation techniques, breathing exercises, and yoga postures that aid in stress relief.
Parents Feedback on Facilities		
1.	Include placement & training classes from lower semester.	Placement & training classes were included for students from lower semester.
Hostellers Feedback on Facilities		
1.	Upgraded or new Sports kits can be provided for playing.	It was provided to hosteller by department of physical education.

 Department of Electronics and Communication Engineering

Academic Year: 2018 - 2019

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Practical knowledge on emerging technologies and working on projects should be given importance.	Students are encouraged to do the Projects in real time and have participated in national, International Conferences, Journal Publication for their project Works.
2	Need Practical Knowledge from Industry.	Arranged for Industrial Visit to gain practical knowledge from Industry.
3	Applicability/relevance of curriculum in real life situations can be increased.	Value-added courses on Introduction to Robotics and Introduction to Internet of things (IoT) were offered.
Faculty Feedback on Curriculum		
1	Advised to introduce latest trends of Electronics and Communication Engineering courses like Nano Technology and ORCAD.	Industry oriented courses were proposed on latest trends of Electronics and Communication Engineering courses like Nano Technology and ORCAD design on the forthcoming academic year.
2	Faculty members suggested to attend Conferences to improve their research interest.	Faculty members presented and attended Conferences to improve their research interest.
Alumni Feedback on Curriculum		
1	Alumni suggested to conduct Research oriented seminar / workshop.	Workshop conducted on Intellectual Property rights for the final ECE students on 10.01.2019.
2	Provide skill-based subject in the curriculum.	Skill-based Guest Lecture on Mobile APPS was offered on 31.07.2018.

 PRINCIPAL,
 Kingston Engineering College

 Phone : 0416-2297031 / 33 / 34

Parents Feedback on Curriculum		
1	More courses that will cater to the skill development of the students were emphasized.	In addition to the regular courses, Value Added Courses on Introduction to Robotics, Advanced 3G and 4G wireless communication and Introduction to Internet of things (IoT) (Minimum 30 periods duration) were offered to the students.
2	Include more courses to improve the communication skills to enhance employability.	A new course interpersonal skills is introduced and new topics were added on LSRW skills in English Language Communication Skills Laboratory and also, we offering placement training on Aptitude problems and communication skills.
Students Feedback on Facilities		
1	Provide Time extension for the usage of sports ground.	Time extended for the usage of sports facilities by the management.
2	Provide Non vegetarian food for the day scholar students	Non vegetarian food Lunch for the day scholar students was approved by the Management.
Parents Feedback on Facilities		
1	Provide Wi-Fi facility in laboratory.	We provide internet facility when needed in laboratory.
Hostellers Feedback on Facilities		
1	Provides unique food for health issues students.	We provide special food arrangement for health issues students if requested.

DEPARTMENT OF MECHANICAL ENGINEERING

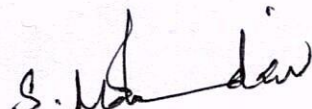

Academic Year: 2018 - 2019

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	More events needed	Symposium was conducted with many events and students have been encouraged to coordinate all the events to improve their leadership skills
2	Entrepreneurship events can be conducted	
3	IUPC exams were really useful.	Same pattern of exam was followed for next academic year also
Faculty Feedback on Curriculum		
1	More hours can be spent for theory than practical classes	Timetable was planned accordingly as per the suggestion from faculties
2	Research activities can be improved.	Final year projects were asked to convert their work to technical papers and publish
Alumni Feedback on Curriculum		
1	More company-oriented interaction can be arranged	Value added Courses were conducted by industry person to share their experience along with knowledge.
Employer Feedback on Curriculum		
1	Interaction with industry can be improved	MOUs are being signed with industries to maintain the Industry-Institute interaction Students were also given opportunities to do Internship in various industries
Parents Feedback on Curriculum		
1	Exams can be reduced	Conveyed the feedbacks by HOD to the respective coordinators for the improvement through Principal
2	Food can be improved in mess	

PRINCIPAL
 Kingston Engineering College
 Chittoor Main Road, Vellore - 632059.
 Phone : 0416-2297031 / 33 / 34

S. No	Suggestions	Action taken/Impact
Students Feedback on Facilities		
1	Parking facilities can be improved	Parking facilities for four wheelers were allotted near Admin block and only two wheelers were allowed in the parking area
Parents Feedback on Facilities		
1	More transport routes can be created from various parts of Vellore	Based on the request from parents, few more routes were created where students are coming.
Hostellers Feedback on Facilities		
1	Good security and safety are provided all the time.	Conveyed to the security department

Department of Information Technology

Academic Year: 2018-2019

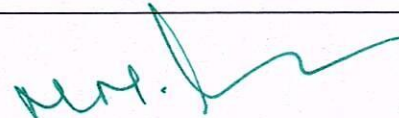

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Conduct more Events	All the department gives equal importance to conduct both technical and non-technical events.
2	Use different teaching methodologies	Faculties are follow innovative teaching other than white board and ppt such as demo, quizzes and etc..
Faculty Feedback on Curriculum		
1	Some basic concepts can be included in the problematic subjects	Missed topics are taken during theory and lab sessions.
2	Students should get industry exposure.	Students are encouraged to participate in industrial visit and do online courses to improve their technical skills.
Alumni Feedback on Curriculum		
1	More exposure is needed for societal challenges.	Organized 2 days' workshop was conducted titled "Machine Learning and Deep Learning"
2	Need practical experience with automation tools	Workshop conducted on "Hadoop/Hive Programming"
Employer Feedback on Curriculum		
1	Students lacking in report preparation and documentation.	Seminar conducted titled "Content Management System"
2	Students should gain knowledge on Organizational Etiquette	Event conducted about "Ethics in Human Values" for students to know more about behavioral skills especially in working environment.
Parents Feedback on Curriculum		
1	Students should gain knowledge on preserving nature	Green Energy Club was Inaugurated and various activities conducted
2	Need common domain to share study materials	Initiated Kingston graduate academic resource center – KGARC through which materials shared to students.
Students Feedback on Facilities		
1	Need separate sick room for boys and girls	All the floor has separate sick room for boys and girls.
2	Increase the availability of the updated books in the library.	Management purchasing updated books every year and also made available the same in the department library as well.

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Syllabus and curriculum must give a proper idea about higher order research thinking.	The request has been forwarded to Principal through HOD. Faculty members are insisted to concentrate more on content beyond syllabus.
Faculty Feedback on Curriculum		
1	The students should be trained to face the social problems.	The management has suggested to offer value added program based on social problem. The department conducted value added program on " Waste management- Current Entail to the world".
Parents Feedback on Curriculum		
1	Parents suggested to create opportunities to avoid stage fear of the students.	The department organized symposiums and paper presentation competitions for the students to participate.
Students Feedback on Facilities		
1	Non-Veg lunch can be provided once in a week.	The management has decided to provide non-veg lunch every Wednesday.
Hostellers Feedback on Facilities		
1	Hostel students suggested to provide library facility.	Library timings were extended by considering hostel students request.
Parent Feedback on Facilities		
1	Four-wheeler parking facility can be arranged separately for parents and visitors.	Separate parking facility was arranged for visitors.
