Action Taken Report on Feedback Analysis
Academic Year: 2020 - 2021

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)

DEPARTMENT OF CIVIL ENGINEERING

Academic Year: 2020 - 2021

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Needs to give more weightage on NPTEL courses.	Planned to add separate NPTEL hours for the students to prepare effectively for the same
Faculty Feedback on Curriculum		
1	Enrich the knowledge of Latest trends and technologies.	FDP's are regularly attended by the Faculties to update the latest trends
2	Research activities must be strengthened by conducting research related conferences.	Faculties are encouraged to attend research related activities by attending conferences.
Alumni Feedback on Curriculum		
1	More emphasis on online industry interactions to be given.	Planned to conduct more number of guest lecture interaction through online mode
2	Encourage to conduct a greater number of motivational seminars which helps to boost the confidence of the students.	Conducted seminars and training programs which enhanced the skill sets as well as personality of students through Alumni and other industrial collaborations

Department of Computer Science and Engineering

Academic Year: 2020 - 2021

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Need hands-on training on the field of Artificial Intelligence and Machine Learning which makes the concept easily understandable.	Conducted value-added course on Network Design and Design Thinking.
2	Arrange mentorship program with alumni to know about company expectation.	Mentorship program was arranged to fulfil the suggestion.
Alumni Feedback on Curriculum		
1	Arrange field visit to know the knowledge requirement.	Field visit has been planned and couldn't implement due to COVID restrictions.
2	Provide an opportunity to the students to study a course from other disciplines.	Virtual value-added course has been conducted.
Parents Feedback on Curriculum		
1	Include more courses to improve communication skill to enhance employability.	Placement Training session added in the time table.
Employer Feedback on Curriculum		
1	Winter / Summer Training should be conducted as part of the curriculum in collaboration with industry experts.	We courage each student to attend field visit/ internship training in various industries
Faculty Feedback on Curriculum		
1	Enrich the knowledge of latest trends and technology in the field of AI and ML.	Faculty instructed to attend online STTP program conducted by anna university affiliated colleges through online.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Academic Year: 2020 – 2021

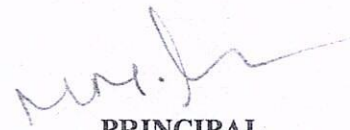

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Students have suggested that the programs should be more inclusive and flexible, which can enable them to pursue courses of their interest.	CSBS has been implemented in PG and UG programs enabling the students to choose elective subjects as per their need and interest.
2	Need to help the students to gain Content beyond Syllabus.	Content beyond Syllabus are prepared and delivered by the Faculty.
Faculty Feedback on Curriculum		
1	Encourage faculty members to experiment with new teaching methods, course formats, or instructional technologies within the curriculum.	Encouraged faculty members to experiment with new teaching methods, course formats, and established new research labs.
2	Provide support and resources for faculty members to pilot innovative approaches and assess their effectiveness.	Provided support and resources for piloting innovative approaches. Recognized and celebrated successful initiatives and best practices.
Alumni Feedback on Curriculum		
1	More books and journals on current topics in the library to be available.	College library updates by purchasing new books and journals every year.
Employer Feedback on Curriculum		
1	More emphasis should be on the applications of the opted field of study.	Final year projects are done in the industrial or Inhouse Projects.

PRINCIPAL

Department of Electronics and Communication Engineering

Academic Year: 2020- 2021

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Students have felt the need for more hands-on and practical component in the curriculum based on modern techniques for skill enhancement.	Moreover, constant efforts are being made to involve students in a plethora of curriculum enrichment activities like ONLINE Guest lecture, training sessions, Awareness program, workshops etc.
2	Use of more multimedia resources and addition of graphics for better understanding and effective learning.	Different multimedia resources are also used for ONLINE classes and wherever, needed and shared with students.
Faculty Feedback on Curriculum		
1	Need more Practical Knowledge from Industry.	Organization and conduction of practical session on MATLAB Enabled Advanced Wireless Communication to enhance the teaching-learning skills of the teachers.
Alumni Feedback on Curriculum		
1	More Focus on Online related Courses.	Motivated the Students to participate in NPTEL, SWAYAM, etc.,
2	Coaching for various competitive examinations is needed.	The college provides placement training effectively also motivated and given direction to write competitive examinations like GATE, UPSC etc.,
Employer Feedback on Curriculum		
1	Awareness programs to be organized during pandemic.	Various awareness programmes were supported through activities of various centres such as Women's Empowerment Cell, Institution's Innovation Council Cell and Entrepreneurship Development Cell.

PRINCIPAL
Kingston Engineering College
 Chittoor Main Road, Vellore - 632059.
 Phone : 0416-2297051 / 2297054

Parents Feedback on Curriculum		
1	More courses that will cater to the skill development of the students were emphasized.	In addition to the regular courses, Value Added Courses on Neural Networks and Applications, and Machine Learning Techniques and (Minimum 30 periods duration) were offered to the students.
Students Feedback on Facilities		
1	Need RAM upgradation for desktops to access quickly online examination	RAM upgradation for desktops was done.
2	Need full day cultural program.	Management assured to conduct one day cultural celebration after completion of pandemic period.

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Number of hands-on session and workshop can be increased.	Number of workshop, seminar and hands on sessions are increased.
2	Need guidance to do Online Courses.	Students are encouraged and guided to complete NPTEL courses
Faculty Feedback on Curriculum		
1	Elective courses to be considered irrespective of specific to the department.	Elective subjects are selected based on industrial needs.
2	Industry collaboration can be done for few topics.	Value Added Courses are conducted online for the benefit of the students.
Alumni Feedback on Curriculum		
1	Conduct mock interview for Final and Pre final year students.	Alumni request has been forwarded to the placement group to conduct mock interviews after pandemic period.
2	Apart from curriculum prepare the students to meet industrial needs.	Students are motivated to do NPTEL courses.
Employer Feedback on Curriculum		
1	Students should gain knowledge on Industry working environment	Seminar was conducted on "Industry ready Engineer"
2	To build effective resume for cracking resume screening software	Event conducted on " Interview skills and Resume Preparation".
Parents Feedback on Curriculum		
1	Students need training on improving mental health	Webinar was conducted titled "You vs You want to be"
2	Students should be aware of grabbing industrial opportunities.	A Guest Lecture conducted titled "Engineers for Tomorrow"
Students Feedback on Facilities		
1	Upload the material in common domain	Management created a common domain to share the study materials on time.

ACTION TAKEN REPORT

S.	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	The curriculum must focus on effective communication skill development.	The management conducted value added program based on English subject to improve the communication skill.
2	Practical sessions must be well organised which is compatible with theory.	The students were taught how to correlate the theory and practical sessions.
Faculty Feedback on Curriculum		
1	Faculty members were suggested to grab more ways to bring the attention of the student while learning through mobiles.	The management has taken initiative and conducted practical session through online platforms.
Parents Feedback on Curriculum		
1	After pandemic period the students can be taken to Industrial visit, to get more awareness about the latest advancements in the industry sector.	21-22 batch students were taken to Industrial Visit to Indo-cool and Steel- I India private limited.
Students Feedback on Facilities		
1	Teams software consumes more data while listening the class. Hence need some other software which consumes less data.	The management considered the request of the students and the teaching process was shifted from Microsoft Teams to Google Meet.

DEPARTMENT OF MANAGEMENT STUDIES

Academic year: 2020-2021

ACTION TAKEN REPORT

S.No	Suggestions	Action taken/impact
Students feedback on Curriculum		
1	Depth of the course content needs to be increased for achieving the expected Course Outcomes	Revised and expanded the course content to include in-depth modules, ensuring a comprehensive understanding of key concepts and alignment with the expected Course Outcomes.
2	Applicability/relevance of curriculum in real life situations can be increased.	Introduced industry partnerships to provide students with hands-on experiences, ensuring the curriculum aligns with the current demands and challenges of professional environments.
Alumni Feedback on Curriculum		
1	Skill oriented courses to be started to meet the needs of jobs.	Introduced industry-driven, skill-focused courses that meet specific work requirements and improve students' employability.
Parent feedback on Curriculum		
1	Parents appreciate the college's adaptability during the COVID-19 pandemic, seamlessly transitioning to online learning while maintaining the integrity and effectiveness of the curriculum.	Conducted regular feedback sessions and technology upgrades to address concerns, maintaining a high standard of academic delivery and meeting the expectations of parents.
