Action Taken Report on Feedback Analysis
Academic Year: 2022 - 2023

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)

Department of Civil Engineering

Academic Year: 2022-2023

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Additional resources and addition of graphics for better understanding and effective learning is needed.	Different multimedia resources are used and wherever, needed and shared with students.
Faculty Feedback on Curriculum		
1	Smart class programmes may be made effective.	Initiated to conduct value added course as well as academic activities with the usage of smart class room.
Alumni Feedback on Curriculum		
1	Effective soft skill trainings to be provided.	Various events and programs are been organised for the students benefits.
Employer Feedback on Curriculum		
1	Suggested to conduct expert talks to explore technologies which are using the industrial field.	More number of industry visits and Industry expert talks were arranged.
Parents Feedback on Curriculum		
1	Provide individualized care and support to each student, especially the weaker students.	Special care is given and additional coaching is given by faculty members during exam preparation Classes.
2	More courses that will cater to the skill development of the students were emphasized.	Hands on training sessions were organised during the academic year.

Department of Computer Science and Engineering

Academic Year: 2022 - 2023

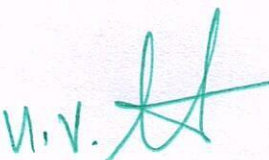

ACTION TAKEN REPORT

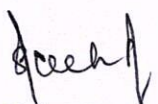

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Need more exposure to Industries expectations.	Alumni and Industrial person are invited and talks are conducted for the Industry Exposure.
Alumni Feedback on Curriculum		
1	More Mock test to be conducted on requirement of job opportunities.	The college provides WI-FI connectivity in the campus for conducting online mock test by Training and Placement.
Parents Feedback on Curriculum		
1	Summer trainings required as a part of curriculum activity can be conducted by the department in collaboration with industry experts.	We encouraged each student to attend Field work/ Internship training in various reputed industries.
Employer Feedback on Curriculum		
1	Allocate separate period in curriculum time table for NPTEL/ONLINE courses.	NPTEL period is added in academic Time Table.
2	Summer trainings required as a part of curriculum activity can be conducted by the department in collaboration with industry experts	Department of Computer Science and Engineering conducted the following Value-added course; (i)Virtual Reality and Augmented Reality (ii)Adaptive Deep Learning Techniques
Faculty Feedback on Curriculum		
1	Faculty members suggested to attend Conferences to improve their research interest.	Faculty members presented and attended Conferences to improve their research interest.
2	Enrich the knowledge of Latest trends and technologies.	Organization and conduction of practical session on VR and AR, Deep Learning to enhance the teaching-learning skills of the teachers.

Students Feedback on Facilities		
1	Laboratory systems must be properly serviced. Restrooms must be properly cleaned.	Laboratory systems have been refurbished. Housekeeping are instructed to regularly clean the restrooms.
Parents Feedback on Facilities		
1	Allow semester wise college bus fare.	Recommended for final year students.
Hostellers Feedback on Facilities		
1	Need canteen facility on Sunday.	Recommended only during college hours.

Academic Year: 2022 - 2023

ACTION TAKEN REPORT

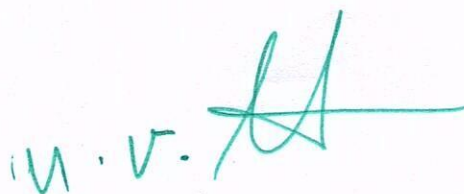

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Students expected to gain the knowledge apart from the Syllabus.	Content beyond Syllabus are prepared and delivered by the faculty.
2	Students Expecting more multimedia resources and addition of graphics for better understanding and effective learning	We have implemented a comprehensive multimedia strategy to enhance learning experiences. This includes incorporating interactive graphics, animations, videos, and audio content into our materials.
Faculty Feedback on Curriculum		
1	Need more Practical Knowledge from Industry.	Management has arranged for faculties to visit more industries to develop their skills.
Alumni Feedback on Curriculum		
1	Alumni suggested including real-time application orientated subjects to be included, and also, they have suggested to include latest technological intra-department courses.	Courses like Design Manufacturing & IOT, will be selected for higher semesters which were included in the syllabus by Anna University as Professional & Open Elective to study the courses from other disciplines.
Employer Feedback on Curriculum		
1	Necessitate the importance of training for Placement in the earlier semesters.	Students were given training and Placement in their Early Sixth Semester onwards.
2	More industry-oriented courses that will cater to the skill development of the students were emphasized.	In addition to the regular courses, Skill Training Courses (220 hrs duration) were offered to the students like Certificate Course in Animation associate, media content developer, software Developer Associate.
Parents Feedback on Curriculum		
1	Parents show satisfaction in most of the parameters. Some parents want more initiatives to improve the overall development of the students and	Every department organized a symposium/workshops/ talks by industrial experts and academicians from reputed corporate and industries which enabled

	modifications in the syllabus to meet new challenges.	active interaction of the student with experts in their field.
2.	Provide regular updates on students progress and achievements, along with opportunities for parents to provide input or feedback.	Developed standardized progress reports that are sent to parents at regular intervals (e.g., quarterly or semesterly) to provide detailed insights into students' academic performance, attendance, and behaviour.
Students Feedback on Facilities		
1	Need to Organize open forum discussions where students can openly discuss their feedback on facilities with college administrators and staff.	In Class Committee Meeting students were discussed about their needed with faculties and Class committee Chair person. They will convey the requirement to principal and Management.
Parents Feedback on Facilities		
1	A variety of fresh juices are needed to be available in the college canteen.	Expanded the canteen menu to include a wide variety of fresh juices to cater to different tastes and dietary preferences.
2	Conduct regular inspections of college facilities to identify areas in need of repair, maintenance, or upgrades.	Every End of the Semester we have deputed Internal audit member for Conduct regular inspections of college facilities to identify areas in need of repair, maintenance, or upgrades.

Department of Electronics and Communication Engineering

Academic Year: 2022 - 2023

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Students need more exposure to Industries expectations.	Industrial person is invited and talks are conducted for the Industry Exposure on 03.12.2022 by the IIC cell.
Faculty Feedback on Curriculum		
1	Need more Practical Knowledge from Industry.	Organization and conduction of practical session on MATLAB Enabled Advanced Wireless Communication to enhance the teaching-learning skills of the teachers.
Alumni Feedback on Curriculum		
1	More Mock test to be conducted on requirement of job opportunities.	The college provides internet connectivity in the campus for conducting online mock test by the Training and Placement.
Employer Feedback on Curriculum		
1	Allocate separate period in curriculum time table for NPTEL/ONLINE courses to learn latest technologies.	NPTEL period is added in academic Time Table also Nan Mudhalvan courses conducted Online/Offline as per Anna University schedule.
Parents Feedback on Curriculum		
1	Need more initiatives to improve the overall development of the students.	Department organized a workshop on PCB Design and Fabrication by industrial experts and Industrial visit is organized by the department.
Students Feedback on Facilities		
1	Restrooms must be properly cleaned.	Housekeeping was done two times in daily.
2	Canteen facility should be improved.	Informed to Principal to improve canteen facility.
Parents Feedback on Facilities		
1	Fix semester wise college bus fare.	Recommended for final year students.
Hostellers Feedback on Facilities		
1	Medical facility to be improved.	Informed to Hostel warden to take necessary action fulfil the Hostellers requirement.
2	Need indoor sports facility after 6pm.	Recommended to utilize sports facility before study hours.

DEPARTMENT OF MECHANICAL ENGINEERING

Academic Year: 2022 - 2023

ACTION TAKEN REPORT

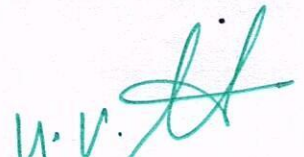

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Use of more multimedia resources with videos to understand the concepts.	Different multimedia resources are also used wherever needed and shared with students.
2	During the Placements, Mechanical students can also be given preference in IT companies interviews.	Preferences have been given by Placement department for whichever company is allowing all graduates in their interviews.
Faculty Feedback on Curriculum		
1	Students are insisted to undergo research activities for the upcoming technology.	An Electric Auto was fabricated by 3 rd year mechanical students which is a upcoming technology.
Alumni Feedback on Curriculum		
1	Students can be equipped with recent upcoming technologies.	Hands-on training on Machine Learning and 3D printing were conducted to enhance the knowledge of students towards the current trend.
2	Students need to acquire more knowledge on research-oriented activities.	Industrial visit to IITM research park have been undergone by students to know more on research related activities.
Employer Feedback on Curriculum		
1	Industry Institute interaction was good and could be improved.	Many MOUs have been signed to improve the interaction with the industry from institute.
Parents Feedback on Curriculum		
1	Extra-curricular activities can also be conducted for students as most of them have experienced their college days during Pandemic period.	Various cultural events were conducted along with NSS activities, sports, etc.,

S. No	Suggestions	Action taken/Impact
Students Feedback on Facilities		
1	Providing Wi-Fi facility in the college	Wi-Fi facility was provided in the staff room and all Laboratories.
2	Department library need to be upgraded with new regulation books.	Department library have been upgraded with new regulation books.
Parents Feedback on Facilities		
1	Wi-Fi can be enabled throughout the college	Wi-Fi facility was provided in the staff room and all Laboratories.
2	Additional upgraded CCTVs can be installed for the safety and surveillance purposes.	Fitting of upgraded CCTV Cameras have been initiated and installed throughout the college phase by phase.
Hostellers Feedback on Facilities		
1	Provide additional equipment in the GYM facilities for hostellers.	Additional equipments facilities in the GYM have been initiated competent authority and it will be improved.

Academic Year: 2022-2023

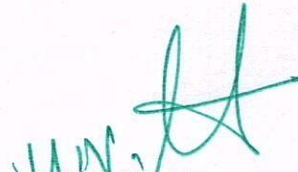

ACTION TAKEN REPORT

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	Need more practical experience with respect to emerging technologies	Students are encouraged to undertake additional projects alongside their mini and final year projects.
2	Need more exposure to Industry.	Our Management arranges Industrial Visits minimum one per academic year.
Faculty Feedback on Curriculum		
1	Technical subjects like Big Data and Ethical Hacking can be given as core subject.	Request Letter has been sent to university regarding the change in curriculum.
2	Practice students to improve their technical skills.	Planning to give mini projects for the students in the technical courses.
Alumni Feedback on Curriculum		
1	Give more importance to technical skills	The management invites alumni as a resource person for events to share their knowledge.
2	Encourage students to initiate research work irrespective of their discipline.	Proper guidance is provided by the R&D cell to develop research interest among the students.
Employer Feedback on Curriculum		
1	Students should gain knowledge on real time application development and deployment.	Workshop conducted titled "Game Development using Unity Engine"
2	Need improvement in Critical Thinking	Guest lectures was conducted to develop personality skills.
Parents Feedback on Curriculum		
1	Need exposure on various industry needs and eligibility for their ward.	Event conducted titled "Synergy connect – Bridging parents with Industry"
2	Motivate students to build entrepreneurship skill.	Events conducted to bring the ideas of the students as well as to develop their entrepreneurship skills.
Students Feedback on Facilities		
1	Need smart class room	Specific room is allotted with smart class room facility for teaching purpose.
2	Need permission to access internet inside the campus	Students are permitted to use internet facility for academic purpose.

PRINCIPAL
 Kingston Engineering College
 Chittoor Main Road, Vellore - 632059.
 Phone : 0416-2297031 / 33 / 34

Parent Feedback on Facilities		
1	Security arrangements can be improved additionally.	Planned to install extra CCTV cameras in all the floors.
2	Transport facility on special occasions.	Bus facility made available for students during occasional time.
Hostellers Feedback		
1	Increase study hour timing	Study hour Increased to 10.30 pm
2	Increase the number of days of providing healthy snacks.	As per students request the number of days is increased for health snacks.

Academic Year: 2022 - 2023

ACTION TAKEN REPORT

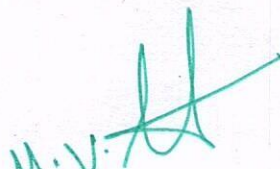

S. No	Suggestions	Action taken/Impact
Students Feedback on Curriculum		
1	The syllabus followed in the physics subject is vast.	The contents in physics-based subjects were given more importance and were simplified to the student's capacity.
2	Students need more practical sessions in communication labs to improve their conversational ability.	Planned to conduct more interactive sessions on developing communication skills, during communication lab classes and Placement Training Classes.
Faculty Feedback on Curriculum		
1	Have to conduct motivational sessions to first year so that the students can understand the value of studying engineering during the induction programme itself.	The management considered faculties request and conducted invited talks related to I Semester subjects during the I year induction programme such as Mathematics for engineers, Neengalum vignyani Agalam, How to clear IELTS exam.
Parents Feedback on Curriculum		
1.	Students must be encouraged to participate in "TECH" events in and outside the campus with college support.	The students are encouraged to participate in HACKATHONS, projects and seminars outside the campus.
Students Feedback on Facilities		
1	Some of the instruments in chemistry laboratory are not working properly.	The suggestions were forwarded to the principal through HOD and new electrodes were purchased for the laboratory.

PRINCIPAL

DEPARTMENT OF MANAGEMENT STUDIES

Academic year: 2022-2023

ACTION TAKEN REPORT

S.No	Suggestions	Action taken/impact
Students feedback on Curriculum		
1	Students need more exposure to Industries expectations.	Alumni and Industrial person are invited and talks are conducted for the Industry Exposure.
2	In semester II we have so many theory paper so suggested to implement some technical courses to enhance our knowledge.	In this we send to letter to university for the further actions.
Alumni feedback on curriculum		
1	Involvement of alumni in college events to be improved	The college invites alumni to participate and activities and events as and when possible and invite them as resource person
Faculty Feedback on Curriculum		
1	Non accounting students face some difficulties in accounting subject.	The special training were given to the students to understand accounts easily.
Parent feedback on Curriculum		
1	Parents may express opinions on how relevant the curriculum is to real-world business scenarios. They might appreciate a curriculum that is aligned with current industry trends and challenges.	Conducted regular reviews of the curriculum to ensure alignment with current industry trends and challenges, integrating practical case studies and guest lectures from industry experts.

PRINCIPAL
Kingston Engineering College
Chittoor Main Road, Vellore - 632059.

Employer feedback on curriculum		
1	Fluency in communication is necessary to sustain in the various industrial sector.	Introduced the presentations related to the subjects and conduct some activities for develop their communication skills.
2	Necessitate the importance of training for Placement in the earlier semesters	Students were given training and Placement in their Earlier Semester onwards.
Students feedback on facilities		
1	Allow to use e-vehicle for the movement inside campus.	Established a battery car for students used inside the campus.
Parents feedback on facilities		
1	The college facilities are well-maintained, providing a safe and conducive learning environment for our children.	Regular maintenance schedules have been implemented to ensure optimal functioning of all college facilities, addressing any issues promptly.
Hostellers feedback on facilities		
1	Strong wi-fi connection needed.	The college has upgraded its networking infrastructure, investing in state-of-the-art equipment to ensure a robust and high-speed Wi-Fi connection across campus.
